NABH Accredited Multi Super Speciality 350 Bedded Hospital

NABL Certificate No. : MC-2504
(NABL ACCREDITED LAB)

H-2021-0829

1. Executive Summary:

The BIMR Hospital is a multi super speciality hospital. Our hospital is NABH Accredited. The hospital is first hospital of Gwalior Chambal division who has accreditation from NABH and NABL. It is spread on 7.9 Acres of land, with a capacity of 350 beds. The outpatient services are spread on three floors with 45 consultation rooms. All ambulatory services have been designed with intent to create dedicated aides for specialities, whether it is the proximity of diagnostic services or blood bank to the emergency.

- The hospital has well equipped operation theatres, all the operation theatres are fitted with best in class pendants operating lights, anesthesia work-station and necessary life support system.
- The hospital has one of the biggest critical care programmes in the region with 65 beds in different intensive care units viz Medical, Surgical, Cardiac, Pediatrics, Neonatology, Neurosciences. All critical care beds are in the close vicinity of the operation theatres complex for easy accessibility and continuity of care.
- BIMR Hospitals has top of the line Hospital Information System which is seamlessly connected across outpatient, inpatient and diagnostic areas.
- The hospital's advanced building management system provides for multi-tiered access control, electronic security systems with integrated CCTVs spanning across the facility and advanced fire management systems amongst other utilities.
- A concise overview of the hospital's performance highlights.

2. Hospital Overview:

The BIMR Hospital is a multi super speciality hospital.

Patient first: Quality Care for our patients is of utmost priority

Respect & Compassion: We respect our patients and communities & provide a compassionate care

Team work: we believe and encourage in team work

Excellence: We continually work on service excellence through our Quality improvement initiatives.

Community involvement: We are dedicated to serve the community with affordable & quality care services.

- Provide an introduction to the hospital, its mission, vision, and key leadership.

OUR VISION

“To fulfill the dream of Syt. D. P. Mandeliaji who established BIMR Hospitals, to make it a model multi super specialty hospital of Madhya Pradesh.”

OUR MISSION

To achieve the Vision of our Founder Trustee by—

- Developing and providing top class health services at affordable cost.
- Establishing hospital quality management system in Accordance with the national quality standards for hospitals.
- Setting and achieving performance improvement targets and raising the bar higher...and higher.

OUR VALUES

Patient First - We strive to deliver the best to every patient every day.

Empathy & Respect - We treat each patient with empathy and respect.

Service - We strive to anticipate and meet the needs of our patients, and all healthcare workers.

Integrity - We maintain confidentiality and dignity of our patients.

Innovation - We always strive to adopt latest healthcare equipment & techniques, and improve our knowledge and skills by frequent training and continuous medical education.

Teamwork - We believe that the patient care is a multidisciplinary team work and each one of us is personally responsible for their healthcare and satisfaction

QUALITY POLICY

We are committed to achieve fullest satisfaction of our patient's by fulfilling their healthcare need. We strive to achieve our commitment by –

- Establishing healthcare procedures and protocols.
- Providing frequent training and awareness to hospital personnel.
- Continually improving our performance by setting and achieving service standards and improvement targets, complying with legal and professional requirements.

SAFETY POLICY

The Hospital believes that the safety of the patients, staff and visitors over rides all other considerations. The hospital ensures safety & security in the hospital by establishing safety protocols for each functional area.

The senior most persons in each area have been made responsible and accountable for safety & security of the patient and people in that area. The hospital is committed to continually improve its safety performance -

- By setting and achieving safety improvement targets
- By complying to the applicable legal requirements
- By providing frequent safety education & training to its personnel
- By conducting frequent safety drills
- And by conducting regular safety checks and audits

The hospital is committed to achieve safety standards matching international parameters with active support of our personnel, patients and visitors.
